 Psalm 147**“Hallelujah!”**

It's a good thing to sing praise to our God;
praise is beautiful, praise is fitting.
He heals the heartbroken and bandages their wounds.
Our Lord is great, with limitless strength;
we'll never comprehend what he knows and does.
Sing to God a thanksgiving hymn,
Who fills the sky with clouds, preparing rain for the earth...”

in Praise and Restoration

As we navigate this season of transition together, Psalm 147 reminds us where our strength and hope reside. God is actively at work—healing hearts, rebuilding community, and providing for every need along the way. In times of change, praising God opens our eyes to the quiet ways grace is already sustaining us. We step into each new day with confidence, knowing that the same Lord who counts the stars gathers us together in care and peace.

Transition Prayer:

“Gracious and Creator God, we sing to you with hearts full of gratitude. Thank you for binding up our worries, strengthening our congregation, and surrounding us with your peace. Guide our eyes to see your healing hand at work in our community during this interim journey. Fill our worship with joy and tune our lives to give you praise. In Jesus’ name, Amen.”

RESTARTING OUR SHARED MEAL PROGRAM!

We are thrilled to announce that we will be restarting our Shared Meal Program! Beginning Tuesday, October 13th, and continuing on the 2nd Tuesday of every month, we will be hosting and providing a warm meal for 50 to 70 local homeless neighbors.

A special thank you to John Stewart for his tireless work with this program to bring this crucial ministry back to life!

Volunteer Opportunities:

We will need volunteers each month to help with:

- Preparing and cooking the meals
- Setting up the dining space
- Serving the meals
- Washing dishes, cleaning up, and resetting the room

If you would like to help, please reach out to John Stewart.

"God's Work, Our Hands" Supply Drive Continues!

Sundays, September 20th & September 27th

We are continuing our "God's Work, Our Hands" service project for the next two Sundays as we collect supplies to stock and prepare our Shared Meal Program! Please consider bringing any of the following items to church over the next two weeks:

Supply Drive List:

- Paper Goods: 8 or 10 inch paper plates, dessert plates, paper cups, coffee cups, bowls, take-out containers
- Utensils & Seasonings: Plasticware (especially forks and knives), disposable salt and pepper shakers
- Beverage Station: Sugar packets, sweetener packets, coffee creamer packets, cans of iced tea mix
- Ongoing Support: Monetary donations are always welcomed.
- Each month we will also be looking for desserts to be donated!

Honoring Our Worship & Music

Our worship services begin with the prelude and end with the postlude—it is all an intentional part of our service. The prelude helps us prepare our hearts and minds for worship, while the postlude helps prepare us for the week ahead. When Clipper begins playing the prelude on Sunday mornings, please prepare for worship by listening quietly. Likewise, at the end of worship, please refrain from conversation and activity until the postlude is finished. Our musician takes time each week to prepare these selections, and we should honor that time and effort through our respectful listening as we enter and exit the sanctuary.

Bible Study This Sunday

Please note that there will be no post-worship Bible study on Sunday, September 27th. On that day we will hold a Church Council Meeting immediately following the service. Stay tuned for future Bible study dates!

Transition Clean-Out: Parlor Room Update

Part of our ongoing transition process is cleaning out and organizing spaces throughout the building. To that end, Pastor Brown is getting ready to work on the parlor. If you have personal items or ministry supplies in that room that need to be kept, please check them out and let her know as soon as possible. If you would like to lend a hand with the clean-out, please let Pastor Brown know as well!

Holy Humor Corner

At a church potluck, a pastor noticed a long line forming at the dessert table around a rich, delicious-looking chocolate cake. Next to the dish was a handwritten note from the Sunday School teacher that read:

"Take only ONE slice. God is watching!"

Further down the line, next to a large tray of freshly baked chocolate chip cookies, another handwritten note had been added in a child's shaky handwriting:

"Take as many cookies as you want. God is busy watching the cake!"

Transformed by God's grace, we are a grateful faith community seeking to love, learn and serve together
