Psalm 116:1-2, 5-7

“I love God because he listened to me, listened as I begged for mercy... Up against it, I didn’t know which way to turn; then I called out to God for help: God is gracious—it is he who makes things right, our most compassionate God. I said to myself, ‘Relax and rest. God has showered you with blessings.’”

Resting in Gracious Hands

In seasons of organizational and pastoral transition, it is easy to feel uncertain about which way to turn or how the path ahead will unfold. Psalm 116 offers a comforting reminder that we belong to a compassionate God who hears our prayers and actively makes things right. We don't have to carry the weight of the future on our own shoulders. Instead, our congregation can take a collective deep breath, relax, and rest—knowing that God has already showered Emmaus Road with blessings and will continue to guide our steps forward.

Transition Prayer:

“Compassionate God, thank you for listening to our prayers and grounding us in your grace. When we face moments of uncertainty or feel unsure of which way to turn in this interim season, remind us to rest in your unfailing care. Thank you for the countless blessings you have already poured out upon Emmaus Road. Calm our anxieties, grant wisdom to our Council and leaders, and fill us with peace as we trust in your promise to make all things right. In Jesus’ name, Amen.”

A woman went to the Post Office to buy stamps for her Christmas cards. "What denomination?" asked the clerk.

"Oh, good heavens! Have we come to this?" said the woman. "Well, give me 50 Lutheran and 50 Catholic ones."

On a very cold, snowy Sunday in February, only the pastor and one farmer arrived at the village church.

"Well, I guess we won't have a service today," the pastor said.

The farmer replied, "Pastor, even if only one cow shows up at feeding time, I feed it."

Transformed by God's grace, we are a grateful faith community seeking to love, learn and serve together
